

February 23, 2010

Dear CCA family:

Cumberland Christian Academy's board of directors and administrative leadership team wish to announce a new addition to our family. Beginning July of 2010, Dr. and Mrs. Lee Campbell will be joining our staff to assist Dr. Kendrick and our administrative team. Lee will be serving as our assistant headmaster, and his wife Sherry will be serving as our school counselor. This is a great time of celebration for CCA!

The Campbells are committed to strong academics, athletics, and arts, desiring that Christ be glorified in all areas of life. Dr. Kendrick's values of Christ-centered love and people-centered management style are reflected in the Campbells' core values. Dr. Kendrick and the board are charging the Campbells with taking CCA to the next level in accreditation, student life and student services, that we might build on our twenty-year history and continue our legacy of Christ-centered education. Please pray for Dr. Kendrick as he disciples Lee and Sherry and for the Campbells as they leave North Cobb Christian School, where they have served for eight years.

Join us for a PTF (Parent Teacher Fellowship) meeting with light refreshments at Trinity Fellowship Church on Tuesday, March 9 at 7:00 pm. You will hear from our principals about their heart to see your student succeed. We will preview exciting new plans for next year, including fall retreats for the eighth and twelfth grades. Board Chairman Boyd Wages will review our fantastic new "economic stimulus" program of discounts and incentives designed to bless you in this down economy. And yes, you can meet and help us welcome the Campbells.

In His service and yours,

Your school Board and Administrative Leadership Team
