These rates do not apply to International and Home School Students. Call the Business Office for details.

ANNUAL TUITION	
<i>NOTE: ASP can be added to tuition. See details below.</i>	
	1st Child Rate <i>First child rate applies to oldest child in family. Additional children in the same household will be discounted by 5%.</i>
K3 - K4	\$6,550
K5	\$7,580
1ST - 5TH	\$8,630
6TH – 8TH	\$9,350
9TH - 12TH	\$9,495

Very Important, Please Note: The 10 month payment plan is for the convenience of parents who wish to make monthly payments. Tuition is due on the 5th or 20th day of each month and late 5 days after your payment due date. There is a \$100.00 late fee after the 5 business day grace period, which will be added to your monthly FACTS payment to be paid the following month with tuition. **Note this change from previous years. Monthly payment plans start in July and end in April.** This does not mean that a parent is paying for a particular month of the school year. If a student enrolls after July, the tuition will be divided into 9 months (Aug. – April). Cumberland Christian Academy obligates itself to contract teachers, staff, and other services based upon student enrollment. Therefore, if a student withdraws early or even before school starts a withdrawal fee applies. Along with the withdrawal fee, the parent will be obligated to pay for any tuition through the date of withdrawal. **There is a 25% penalty on the annual tuition for early withdrawal of each child due to annual commitments of operating expenses.**
