

The Cumberland School (TCS) is strengthened by intentional and vibrant parent participation in the partnership between parents, teachers, and administration of the school. Although not everyone's involvement is the same, we are called to serve one another as the body of Christ. Parents are encouraged to actively participate in the life and community of TCS as an essential component to our core values. By serving our school we are able to set an example for our children of what it looks like to love others. Each family is encouraged to volunteer at least ten hours per year, and there are many ways to get involved.

Now there are varieties of gifts, but the same Spirit, and there are varieties of service, but the same Lord; and there are varieties of activities, but it is the same God who empowers them all in everyone. 1 Corinthians 12:4-
