**Very Important, Please Note:** The 10-payment plan is for the convenience of parents who wish to make monthly payments. Tuition is due on the 5<sup>th</sup> or 20<sup>th</sup> day of each month and late 5 days after your payment due date. There is a \$60.00 late fee after the 5 business day grace period, which will be added to your monthly FACTS payment to be paid the following month with tuition. **Note this change from previous years. Monthly payment plans start in July and end in April.** This does not mean that a parent is paying for a particular month of the school year. If a student enrolls after July, the tuition will be divided into 9 months (Aug. – April). The Cumberland School obligates itself to contract teachers and other obligations based upon student enrollment. Therefore, if a student withdraws early or even before school starts a withdrawal fee applies. Along with the withdrawal fee, the parent will be obligated to pay for any tuition through the date of withdrawal. **There is a 25% penalty on the annual tuition for early withdrawal of each child because of annual commitments to operating expenses.**
