## We Own the Land—It's Time to Till the Soil!

Praise God that we own 33 acres for an amazing new campus. Now we are ready to begin improvements which will enable us to use the facility for special events as we wait on God to provide so that we can begin construction of new buildings, etc.

### Proposed Projects

- Remodel the main pavilion including utilities, restrooms, and the roof so that we have a comfortable gathering place for CCA and community events where we can fellowship, share Christ, and enjoy the new property.
- Create a first-class cross-country course for our own CCA team to practice on as well as host regional meets beginning in 2015.
- Remodel the existing front office to provide usable meeting space.
- Begin work on the short and long-term county zoning requirements for use and development of the property.
- Develop printed material that helps get our message out to potential partners beyond the current CCA family.

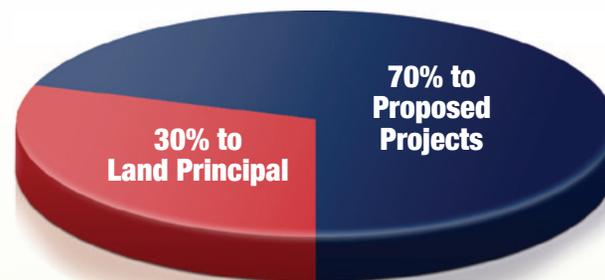

### Fundraising Timeline and Goal

### Our Mission

Cumberland Christian Academy is an independent, board-governed, inter-denominational, multi-cultural Christian school. Our passion is to provide quality Christ-centered academics, arts, and athletics at a price that most families can afford.

### Fund Distribution

Any remaining funds may be utilized to cover historic miscellaneous expenses and payments directly related to the property.
