

# A VOICE IN THE WILDERNESS, INC.

*"Bringing Hope To The Children of Haiti"*

February 2016

To all our faithful supporters:

Cindy and I wish to thank all of you for your continued financial support and prayers as we transition into the leadership of "A Voice." As you know, Dewaine and Liz (Mom) have been experiencing some health issues over the last couple of years and the time has finally arrived when they must retire. Their leadership over the last eighteen years has been a blessing to the children of Haiti. They will still be involved in the ministry but as advisors without the day-to-day stress of overseeing the ministry. We have worked alongside of "A Voice" with our own ministry "Love Worth Sharing", and understand the great needs that the children in Haiti face each day. The mission remains the same; to minister to the physical and spiritual needs of the children. We know we can't "fix" Haiti, but we can make a difference in the lives of the children we educate, feed and lead to Jesus.

Serving The Risen Savior,

Jim and Cindy Owens
